WAYNE COUNTY COURT

121

September 9, 2010

Fiscal Court meeting was called to order by Judge Executive, Greg Rankin with all Magistrates present.

Minutes

Motion was made by Dale Vaughn and seconded by Jeffrey Dishman to approve the August 12, 2010 minutes. All voted in favor.

Visitors

Shannon Hutchinson, with Wayne County Community Development, presented the court with a check for \$12,634.00. This represents reimbursement for the cost of the advertising campaign the county used to promote tourism.

Samantha Stephenson addressed the court about changing the name of her road which is a private road. She was advised to go before the 911 Board to request this change.

Jonathan Bybee addressed the court about the condition of the Coopersville Ridge Road. He said that nails were coming loose on the bridge and the road is in rough shape. He said that the condition of the road and bridge was due to the log truck traffic that is on the road. Judge Rankin said that blacktopping the road would probably solve the problem but financially the county couldn't do that at this time. Blacktopping the road is something they would have to look at and possibly do it in sections.
